Fastest-growing tally

Put one mark in the box each time you say "the fastest-growing sport in the world", or any sentence that means the same thing. Lauren and Priya will add any marks you forget.

| WEEK       | TALLY | WHO YOU SAID IT TO |
|------------|-------|--------------------|
| Week one   |       |                    |
| Week two   |       |                    |
| Week three |       |                    |
| Week four  |       |                    |

The target by the end of the engagement is fewer than one a week. The current figure is about three a day.
