

THE RISK REGISTER

A risk register lists what might go wrong, how likely it is and how bad it would be. You have written several for clients. This one is for you.

| RISK                                           | LIKELIHOOD     | IMPACT   | WHAT TO DO                                 |
|------------------------------------------------|----------------|----------|--------------------------------------------|
| The club opens a fourth court                  | Almost certain | Severe   | Wait a week before booking it              |
| Rob buys a new racket                          | Likely         | Moderate | Say "nice" and change the subject          |
| A new padel club opens near the office         | Possible       | Severe   | Do not tell the team                       |
| Someone at a party says they "might try padel" | Likely         | Severe   | Give them the club's website and walk away |
| A sunny Saturday with no plans                 | Almost certain | Moderate | Make plans with the family first           |
| Priya brings her tennis racket to work         | Likely         | Personal | Leave it                                   |
