- ☐ **There is a bag of compost in the car.**
Purchased in April. Still in the boot.
- ☐ **The strimmer's power rating can be quoted from memory.**
- ☐ **A plant is described as doing quite well, actually.**
The plant is visibly not doing quite well.
- ☐ **The shed was purchased before any tool was purchased.**
- ☐ **One specific weed is referred to by name, with feeling.**
- ☐ **There are three watering cans and no working watering can.**

Two points: within normal limits. Four points: the subject has begun buying equipment instead of gardening.
