Comparison of approaches

TWO AVAILABLE APPROACHES, ASSESSED

APPROACH A

- Ninety minutes once a fortnight
- Two tools, both owned
- No new purchases
- Visible from the neighbour's window
- Sustainable across a season

APPROACH B

- Ninety minutes once a fortnight
- Two tools, both owned
- No new purchases
- Visible from the neighbour's window
- Sustainable across a season

The manual recommends Approach B. Reasons are not given. A manual that gives reasons invites discussion.
